

GAMEFEST

ATLANTA 2019

Georgia Tech
Atlanta, GA

November 2nd / 3rd

ABOUT

Gamefest

Gamefest is a student-run intercollegiate LAN event that has evolved into one of the largest intercollegiate video gaming events on the East Coast. Hosted on the Georgia Institute of Technology's Atlanta campus, Gamefest brings together students and friends from across the southeast for a two-day, multi-tournament mashup.

Last year, Gamefest 2018 saw over 500 attendees after a 3-year-long hiatus, and we hope to grow that even more this year.

SPECTATING & BOOTHS

Event Exposure

Gamefest is targeted towards college students but is open to everyone to compete or spectate and enjoy the event. Each tournament will be streamed and broadcasted at the event for all attendees and spectators. Sponsors and partners will be able to setup in the atrium for meet-and-greets, playable stations, or whatever they have in mind!
